

Strategy and Synergy for Security

“WORLD COMPUTER SECURITY DAY”

02 DECEMBER 2013

World Computer Security Day is celebrated every year on 30th November or the next working day (if 30th November falls on weekend). Accordingly SETS is organising an event to observe the Security Day on 2nd December,2013.

There will be lectures by SETS security researchers on web application and cloud computing security. There will not be any fee for this programme.
